College of Health Implementation Task Force Charge Spring 2023

The principal charge to the College of Health Implementation Task Force will be to develop an implementationplan for reconfiguring the departments of Kinesiolog Aursing, Public Health, Social Work, and Speech, Language and Hearing Sciences, and any other relevant departments of the contraction of

This effort will occur in parallel with an effort the tovost Jacobs will launch to reconfigure the remaining Colleges, the goal of which will be to maintain a strong, relevant, equit ded, and financially sustainable organizational structure for the future within the context of our financial resources.

Task Force members should proactively address our equity and and apristin goals throughout the process. Ements of the implementation plan should include:

- Identification of FTE faculty and staff, and budget, to be reassigned to the neggeoil
- Identification of new administrative and staff FTE needed for College administration funds become av
 - Preliminary location and pace plan for new COH Dean's office;
 - Identification of potential individual and foundati donors, as well as gran support the COH
 - Incorporation of the themes of social ealth equity and palliative care into t to current and projected regional healthcare needs
 - Identification of any IT systems or platfors needed to support the new Coll
 - Identification of anyadditional issues to address implementing this chang

In addition, this Task Force will work with the president's office to provide ongo sponsor open forums and retreats as needed to engage the Cal State East Bay oplanning process

In addition to the regular members of the Task Force, you are encouraged to c members of the campus community as needed, for example budget named marketing outreach. I am happy to meet with the Task Fce as needed answer of provide additional guidance

I would appreciate receiving a preliminary progress report by the end of spring goal of announcing a final plan during fall semester 2023.

Thank you for your willingness to help guide this important initiative. Now is the time to act boldly to position our university for strength, stability in servistgdentsand the region now and into the future.
