The performance target for LO2 is At least 80% of student overall scores will meet or exceed expectations and Less than 10% of students will score "0-2" (below) on any overall rubric score and

The Summer 2020 assessment results indicate that overall 100% of students meet or exceed expectations on overall rubric score and there were no student scores below expectation. The assessments results indicate that both performance targets are met.

- d. You may use ease of implementation and impact on student learning to rank improvements.
- e. There is no guarantee that improvement ideas will be approved. They need to be reviewed by the program director, curriculum committee and dean.

Since the improvement actions proposed for 2018-19 and implemented in Summer 2020 were effective, student performance met both performance targets. No further improvement actions are proposed at this time.

We will continue to observe the results at our next assessment and plan additional improvement actions if needed.
