Crafton Hills College
2019-20 CALIFORNIA STATE UNIVERSITY (CSU) GENERAL EDUCATION REQUIREMENTS

OTHER COLLEGES / AP

MET / IP / NEED

Completion *and* certification will permit a student to transfer from Crafton Hills College to a campus in the CSU system without the need, after transfer, to take additional lower-division general education courses. Students are required to complete a minimum of 39 units in areas A - E for full certification. Students should request CSUGE certification with Admissions & Records when requesting their final transcripts to be sent to the CSU campus of their choice during the final term before transfer. This pattern of general education IS NOT applicable to any campus for the University of California (UC). Courses in BOLD are retroactively approved for Fall 2016 and thereafter.

If your goal is to complete an AS-T in Biology or Chemistry, please consult a counselor for more information on CSUGE for STEM.
