CSU GENERAL EDUCATION CERTIFICATION

1. What is the California State University (CSU) General Education Breadth (GE-Breadth)?

The CSU GE Breadth lists the coursework that allows students to fulfill 39 units of lower division general education at a California Community College prior to transferring to a CSU.

2. Is a minimum grade in all General Education courses required?

Students must have a "C" or better in (A1) Communication, (A2) English, (A3) Critical Thinking, and (B4) Mathematics and 30 units of general education courses with "C" or better grades. Courses with a grade of "D" in other areas are acceptable provided that the student has a cumulative 2.0 or higher GPA. Most CSU departments require a "C" or better in all courses, including GE, required in the major.

3. Are credit/no credit courses acceptable?

Credit/No Credit (pass/fail) grading is acceptable for CSU GE, since Fresno City College has a "C" or better grade policy that must be earned for the credit or pass grade. Some CSU campuses have limitations on the number of 'pass/no pass' courses that may be used towards degree requirements. Please check with your counselor.

4. Will "double counting" be allowed where the same course meets a GE requirement and is also required as preparation for the major?

Yes. Students may 'double-count' courses towards major and general education requirements. However, some CSU campuses have limits on the number of courses that can be double-counted. Please check with your counselor regarding this policy. Go to www.assist.org to view the courses needed to prepare for your chosen major.

5. Is it advisable for all CSU transfer students to follow the General Education Breadth?
