CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (GE) REQUIREMENTS

Effective Fall 2023 through Summer 2024

The General Education Requirements for the California State University (CSU) system specifies courses within subject areas that will satisfy the 39 lower division GE requirements for any campus of the California State University System. Completion of CSU GE is not required before transfer but for most students it is highly recommended. For some students, in high unit majors, completing the pre-major course requirements will be a priority over completing GE requirements. College of the Canyons courses with a number designation of 100 through 299 are transferable to all CSU campuses, but only a select group of these courses qualify for CSU GE.

Liberal Studies majors pursuing teaching credentials should not follow this certification pattern but instead complete the courses specified as preparation for the major

NOTICE: Courses on the CSU General Education List change from year to year. Courses taken to meet General Education requirements will be honored only if they are approved for the academic year in which they are taken. It is therefore a wise practice for student to obtain a new CSU General Education list for each academic year in which they are registered at College of the Canyons.
