

BFA Graphic Design Roadmap

Junior Standing to Graduation in 6 semesters

This sample plan shows how to complete the program from junior standing to graduation in 3 years. This plan requires enrolling in 12-13 units per semester (full-time), and presumes that you have completed lower division GE/breadth requirements, but no major courses. It can be adjusted easily if your situation differs slightly. *be adjusted*

If a course is **unavailable** in the scheduled semester, you have already completed it, please adjust this plan by swapping it with another course. Be mindful of prerequisites.

If you need additional help, make an appointment with an Art major advisor.
