BOD 1999-2000

Whereas, The majority of the students as CSUH are not your typical college students, they already have full time obligations with their families and work, and

Whereas, This mandatory resolution would place additional strain on our students who are already occupied with these other obligations, be it therefore

Resolved, The governor take into account that students as CSUH are people who do not need a mandate to serve their communities, they already [illegible] and do
