

Summarize your assessment results briefly using the following sub-headings

We used a departmental rubric to assess the individual ILOs as described above. Rubrics used were on a 5-point scale with 5 denoting exemplary demonstration of the SLO in total and 1 denoting no or very poor demonstration of the SLO in total. The results for the 4S Statistics program (or 10-5-10-1 are shown in Tables below).

Score	Number of Students	Percentage
5	0	0%
4	0	0%
3	0	0%
2	8	67%
1	9	68%
TOTAL	--	100%

Continue with current rubric and assessment method.

Internal assessment of assignment and rubric, data provided in annual report.

Summarize assessment plans for the next year in class and the PLC(s) to be assessed by the PLC(s) in the next year.
