a. Approval of the November 17, 202\(\mathbb{D}\) eeting Minutes: The committee reviewed the minutes from the November 17

For major giving, last year we had 50 donors in this category, while this year there are already 57, so we are tracking in the right direction.

Annual giving did lose some donors this year, but we are hiring a new Director and hope to bring a fresh perspective to the program. She discussed the pivotal role Annual Giving plays in laying the foundation for major giving.
