

**CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION ACT**  
**SUMMARY DOCUMENT AND DISCLAIMER**

Residents of California who purchase life and health insurance and annuities

## **EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this Guarantee Association if:

Their insurer was not authorized to do business in this state when it issued the policy or contract;

Their policy was issued by a health care service plan (HMO, Blue Cross, Blue Shield), a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society;

They are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.

The Guarantee Association also does not provide coverage for:

Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which guarantee rights to group contract holders, not individuals;

Employer or association plans, to the extent they are self-funded or uninsured;

Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

Any policy of reinsurance unless an assumption certificate was issued;

Interest rate yields that exceed an average rate;

Any portion of a contract that provides dividends or experience rating credits.

## **LIMITS ON AMOUNT OF COVERAGE**

The Act limits the Association to pay benefits as follows:

### **LIFE AND ANNUITY BENEFITS**

80% of what the insurance company would owe under a policy or contract up to \$100,000 in cash surrender values,

\$100,000 in present value of annuities, or

\$250,000 in life insurance death benefits.

A maximum of \$250,000 for any one insured life no matter how many policies and contracts there were with the same company, even if the policies provided different types of coverages.

### **HEALTH BENEFITS**

A maximum of \$200,000 of the contractual obligations that the health insurance company would owe were it not insolvent. The maximum may increase or decrease annually based upon changes in the health care cost component of the consumer price index.

### **PREMIUM SURCHARGE**

Member insurers are required to recoup assessments paid to the Association by way of a surcharge on premiums charged for health insurance policies to which the Act applies.

## INSURING CLAUSE

If you become Disabled while insured under the Group Policy, we will pay LTD Benefits according to the terms of the Group Policy after we receive satisfactory Proof Of Loss.

LT.IC.01

### DEFINITION OF DISABILITY

You are Disabled if you meet one of the following definitions during the period it applies:

- A. Own Occupation Definition of Disability;
- B. Any Occupation Definition of Disability; or
- C. Partial Disability Definition.

Own Occupation means any employment, business, trade, profession, calling or vocation that involves Material Duties of the same general character as your regular and ordinary employment with the Employer. Your Own Occupation is not limited to your job with your Employer.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation.

#### A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation.

You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of your Own Occupation.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license, or because you suffer a loss of Predisability Earnings as a result of disclosure of any Physical Disease, Injury, Pregnancy or Mental Disorder.

#### B. Any Occupation Definition Of Disability

During the Any Occupation Period you are required to be Disabled from all occupations.

You are Disabled from all occupations if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of any gainful occupation for which you are reasonably fitted by education, training and experience.

#### C. Partial Disability Definition

1. During the Benefit Waiting Period and the Own Occupation Period, you are Partially Disabled when you work in your Own Occupation but, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to earn the Own Occupation Income Level or more.
2. During the Any Occupation Period, you are Partially Disabled when you work in an occupation but, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to earn the Any Occupation Income Level, or more, in that occupation and in all other occupations for which you are reasonably fitted under the Any Occupation Definition of Disability.

You may work in another occupation while you meet the Own Occupation Definition of Disability. If you are Disabled from your Own Occupation, there is no limit on your Work Earnings in another occupation. Your Work Earnings may be Deductible Income. See **Return To Work Incentive and Deductible Income**.

Your Any Occupation Period, Any Occupation Income Level, Own Occupation Period, and Own Occupation Income Level are shown in the **Coverage Features**.

LT.DD.49

## **RETURN TO WORK INCENTIVE**

### **A. During The Benefit Waiting Period**

You may serve your Benefit Waiting Period while working, if you meet either the Own Occupation Definition of Disability or the Partial Disability Definition.

### **B. After The Benefit Waiting Period**

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if LTD Benefits are payable on that date. The Return To Work Incentive changes 24 months after that date, as follows:

1. During the first 24 months, your Work Earnings will be Deductible Income as determined below:
  - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
  - b. Determine 100% of your Indexed Predisability Earnings.
  - c. If a. is greater than b., the difference will be Deductible Income.
2. After those first 24 months, 50% of your Work Earnings will be Deductible Income.

Work Earnings means your gross monthly earnings from work you perform while Disabled, including earnings from your Employer, any other employer, or self-employment. Your earnings will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one. However, if you pay Child Care Expenses during the Child Care Expense Period, Work Earnings means:

1. Your gross monthly earnings from work you perform while Disabled for 5aot.

## **PREDISABILITY EARNINGS**

Your Predisability Earnings will be based on your earnings in effect on your last full day of Active Work unless a different date applies (see the **Coverage Features**). Any subsequent change in your earnings will not affect your Predisability Earnings. However, if you receive a retroactive pay increase, Standard will make an adjustment to your Predisability Earnings and retroactively increase your LTD Benefit only if the resolution of The California State University approving such retroactive pay increase occurs within 60 months after the date you become Disabled.

Predisability Earnings means your monthly rate of earnings from your Employer, including:

1. Contributions you make through a salary reduction agreement with your Employer to:
  - a. An Internal Revenue Code (IRC) Section 401(k), 403(b), 408(k), or 457 deferred compensation arrangement; or
  - b. An executive nonqualified deferred compensation arrangement.
2. Commissions averaged over the Earnings Period shown in the **Coverage Features** or over the period of your employment if less than the Earnings Period.
3. Shift differential pay.
4. Amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Predisability Earnings does not include:

1. Bonuses.
2. Overtime pay.
3. Your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan.
4. Any renewal commissions, overwriting renewal commissions, or service fees.
5. Any other extra compensation.

If you are paid on an annual contract basis, your monthly rate of earnings is one-twelfth (1/12th) of your annual contract salary.

If you are paid hourly, your monthly rate of earnings is based on your hourly pay rate multiplied by the number of hours you are regularly scheduled to work per month, but not more than 173 hours. If you do not have regular work hours, your monthly rate of earnings is based on the average number of hours you worked per month during the preceding 12 calendar months (or during your period of employment if less than 12 months), but not more than 173 hours.

LT.PD.22X

## **DEDUCTIBLE INCOME**

Subject to **Exceptions To Deductible Income**, Deductible Income means:

1. Classes 1, 2, 4, 5 and 6: Sick pay or other salary continuation as shown in the **Coverage Features**.  
Class 3: Sick pay or other salary continuation (but not vacation pay) paid or payable to you by your Employer and any amount you receive or are eligible to receive because of your disability under any other insurance coverage, as determined below:
  - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, add the amount you receive or are eligible to receive from any other insurance coverage because of your disability and your sick pay or other salary continuation to that amount.

- b. Determine 100% of your Indexed Predisability Earnings.
  - c. If a. is greater than b., the difference will be Deductible Income.
2. Your Work Earnings, as described in **Return To Work Incentive**.
3. Any amount you receive or are eligible to receive because of your disability, including amounts for partial or total disability, whether permanent, temporary, or vocational, under any of the following:
- a. A workers' compensation law;
  - b. The Jones Act;
  - c. Maritime Doctrine of Maintenance, Wages or Cure;
  - d. Longshoremen's and Harbor Worker's Act; or
  - e. Any similar act or law.
4. Any amount you, your Spouse, or your children under age 18 receive or are eligible to receive because of your disability or retirement under:
- a. The Federal Social Security Act;
  - b. The Canada Pension Plan;
  - c. The Quebec Pension Plan;
  - d. The Railroad Retirement Act; or
  - e. Any similar plan, act, or law.

Benefits your Spouse or children receive or are eligible to receive because of your disability are Deductible Income regardless of marital status, custody, or place of residence.

The **Coverage Features** states which one of the following options applies to your Social Security benefits:

- a. Full offset: Both the primary benefit (the benefit awarded to you) and dependents benefits are Deductible Income.
- b. Primary offset: Primary benefits are Deductible Income, but dependents benefits are not.
- c. Partial dependents offset: Primary benefits are Deductible Income. Dependents benefits are Deductible Income as determined below:
  - (1) Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your dependents benefits to that amount.

and a plan arranged and maintained by a union or employee association for the benefit of its members.

If any of these plans has two or more payment options, the option which comes closest to providing you a monthly income for life with no survivors benefit will be Deductible Income, even if you choose a different option.

9. Any amount you receive by compromise, settlement, or other method as a result of a claim for any of the above, whether disputed or undisputed.

LT.DI.25X

## **EXCEPTIONS TO DEDUCTIBLE INCOME**

B = The disability benefit which would be payable by the other insurer if you were not insured under this Group Policy.

C = A or B, whichever is higher.

The resulting LTD Benefit is our pro rata share of the higher of the benefits which would be payable if you were not insured under both group policies. If necessary, the same principles will be applied to coordinate benefits among three or more group disability income protection policies.

LT.CB.01

## **RULES FOR DEDUCTIBLE INCOME**

Each month we will determine your LTD Benefit using the Deductible Income for the same monthly period, even if you actually receive the Deductible Income in another month.

If you are paid Deductible Income in a lump sum or by a method other than monthly, we will determine your LTD Benefit using a prorated amount. We will use the period of time to which the Deductible Income applies. If no period of time is stated, we will use a reasonable one.
