## No Match:

When there is no match, you will be directed to this screen. In the yellow box, click the [Click Here](#). It will bring you to the MSDSOnline database and give you more options for searching.

The screenshot displays the MSDSOnline search interface. At the top, it says 'Material Safety Data Sheets' and 'Powered By MSDSOnline'. Below this, there are navigation links like 'Help Center', 'MSDS Search', and 'Safety Center'. A search bar is present with a 'Search' button. Below the search bar, there are filters for 'Previous Database Searches' and 'Full Text'. A list of search results is shown, with the first result highlighted in yellow. A red arrow points to the 'Click Here' link in the first result. A tooltip is visible over the 'Click Here' link, providing instructions on how to refine the search.

1. Check the SPELLING and SPACING of your search terms.

2. MSDSOnline has 304 possible matches for your search. Be careful to use the correct MSDS document.

3. If you searched by TOWN or BOND terms, try forwarding your search by adding only your search term.
